Is This the Kind of Bank You Want to Bank With?

The Munsey Trust Company has a capital of \$2,000,000. It started right, with its capital fully paid in before it opened its doors for business. Capital enough to make it as solid as the "Rock of Gibraltar."

-It pays 2% interest on checking accounts.

-It pays 3% interest on ordinary savings accounts.

-It pays 4% interest on special savings accounts.

Interest compounded monthly (tweeve times a year), on the 2% accounts and four times a year on the 3% accounts; twice a year on the 4% accounts and inyear on the % accounts and in-terest so figured that the de-positor gets a "Square Deal." There are no culies, ne penal-ties, no subterfuges with us that whittle down the rate of that whittle down the rate of interest; and your money draws interest every Jay it is in The Munsey Trust Company, however long or short the time, and every business day in the year is deposit day.

The Munsey Trust Company is a serious, substantial bank, conducted on sound business lines, its methods are clean, clearcut and straightforward.

lines. Its methods are clean, clearcut and straightforward. It has no favorites, it treats all men the same—treats the big man no better than the little man and treats all alike, with well considered courtesy.
